

Colorado High School Charter Substitute Teacher

Job Description

Substitute teachers will provide coverage for Colorado High School Charter teachers when they are out. Substitute teachers have the opportunity to work with students on a part-time or full-time basis, depending on the needs of the school. Key responsibilities include: maintaining high expectations of every student, challenging students to develop critical thinking skills and creating a safe space in which students can work and grow.

Becoming a substitute teacher is a popular pathway into the teaching profession. It's an ideal way to gain some real-world experience in the classroom.

Colorado High School Charter serves 9th-12th grade students who are looking for a small, supportive learning environment and in some instances a second chance for a meaningful future. For more information about the school, please see the website at <http://www.coloradohighschoolcharter.com>.
